A "highly recommended" lens, the AF-S VR DX Zoom-Nikkor 18-200mm f/3.5-5.6G ED-IF, received five out of five stars for features and value and four out of five stars for performance and build. Product reviewer, Thom Hogan says "Nikon mints the best super zoom" that is the perfect do-it-all lens. According to Hogan, the 18-200mm lens is a far better lens than one could ever expect.
